Dear Kay,

Several times a year, we invite distinguished guest speakers to address some 300 to 500 employees of the Central Intelligence Agency. Our objective is to improve our employees' understanding of national and international issues as well as to provide them an intellectual stimulus. Guests in the past several years have included George Will, Mark Russell, Dr. James Buchanan, Ambassador Vernon Walters and Roger B. Smith. The program normally consists of a lecture of approximately 30 to 45 minutes, followed by a 20 to 30 minute question period. Lectures are normally scheduled from 2:00 to 3:15 p.m. There is a modest honorarium.

I should like to extend an invitation to you to participate in this program and would be pleased if you could honor us with your presence on a mutually convenient date during 1988. If you are able to accept, our Conference Coordinator, will be pleased to discuss all aspects of the arrangements with your staff. She can be reached on

Sincerely,

Bill

I think would enjoy this - especially the Q&A. Our people would benefit from your perspectives. Hope you can do it.
